Thank you for visiting this page. Hope you enjoy it :) Feeling the Force Arrive Through Images This digital painting picture was inspired by the name of the MMORPG High Fantasy Online World Battlefront. It means the force arrives. On this, I've added the same effect for rain in the background and facial expressions in the character's expressions. The image was created using Photoshop CS5 to fit in with the game. Moods of Autumn -- Windfall This open-source Photoshop fractal image is a digital painting that was created with the help of a friend and I painted some Halloween colors in the background. Skeleton Pose Art A Skeleton is one of the bad friends, if I am being honest, and also as I said earlier, in this image he's looking with those teeth, so, I was trying to create something that is ghoulish and eerie. This is not as scary as a real human skeleton because I did it in 3D layers. Spooky Open Source Photoshop Image This is an Open-source Photoshop Image that was converted using a fractal. Layers Used In Rain Day This is a composite layer using the colors from another image. Rain In Fall -- Animated Painting This is an open source Photoshop fractal created using the Frac version 5. The fractal was modded to suit my palette and I've used a digital paint brush brush, specifically the brush of the brush of the brush. Star Wars Opening Theme Art This is a digital painting picture of a star wars opening theme. It
