Cool new iconset with very nice design and style. Icons have extra quality too, there are a lot of the fancy styles. Icons are good on any kind of background. Big selection of Illustrator CS6 icons, great for branding and web design! Icons are delivered in.AI format, so they will work with any vector application that can import SVG, like Adobe Illustrator, Photoshop, InDesign or any graphics editor. And due to vector format, icons can be scaled in any size without losing resolution. This set includes only 36 icons. Icons are nice, simple and they fit for any projects. You can use them for your projects, website, logo, business, software, games, iconset, Android, icons, etc.

ATTENTION!!! Do not redistribute this iconset on any other websites. If you wish to share them with your friends or anyone, you have to keep the links, html code, and original cover ready. If you agree with license terms, feel free to contact us. Hi, folks! I'm back with new

Jeff Dunham and

What's New in the?

This useful iconset is made for fans of professional comedian Jeff Dunham, who began his career on the road sharing his life-loving jokes and energetic style in shows and television specials. His surreal imitations as the wildly popular "Comedy Caravan" made him a household name. Soon after the first show aired he was signed by Comedy Central, and in June 2007 his television program began airing on the network. He also has two children's books, and while you're at it grab the set of 21 clipart and cartoon icons as well. How to install Jeff Dunham and Friends: The easy way to install the newest icon collection on your Windows system is to use the "Customizer" of the Windows 7 or Vista beta. Just choose the style you want to use from the "Icons" tab. Click on "Install App Package" or simply press ALT-F. From the shortcut's "Target", simply copy the path of this installable zip file and paste it into the target field of the registry editor. We tested the installation of the package in Windows 7 beta 1 and worked perfectly. The previous version of this collection is also available in the older

Windows versions 7 and Vista. Also note that you can download the icon set in zip folder. Download the set of Jeff Dunham and Friends: Download the icon set of Jeff Dunham and Friends This icon collection is the icon set of The Jeff Dunham And Friends Factory Go to Jeff Dunham's official website and download the icon set of Jeff Dunham and Friends.

Resize icon: You can resize the icons to any size you need by selecting the square side in icon bin. When you done resizing just drag the icon to the desktop and move to any other area of the system. You can send the icons to your other Windows PC or Mac by sharing a link at a website. There are two ways to install the iconset: 1. Use the "Customizer" of the Windows 7 or Vista beta. Just choose the style you want to use from the "Icons" tab. Click on "Install App Package" or simply press ALT-F. From the shortcut's "Target", simply copy the path of this installable zip file and paste it into the target field of the registry editor. 2. Download the set of Jeff Dunham and Friends in a zip folder. Also download the one of the eight awesome icon sets in the old versions of

Windows 7 and Vista. Download Jeff Dunham
