top Set (the collection that most items are based on), you'll get your chance to destroy Him/Her/It. To begin, pick ONE of the following banners: True Colors had a lot of potential but was let down with Broken UI choices This is a true followup to all the complaints about the game's UI choices this time last year with a proper announcement and announcement trailer. (No small feat at this point.) As an added bonus, it's followed up with what looks like a sneak peak at expansion one for the game.

Game and Companions Boss Drops Continue enjoying the throne alone in your house alone. Great new castles, awesome feats, wicked weapons and full sets of new armor and enchantments will find you in the wilds of the Undead Village. Rise to high ranks in the Tournament of Champions, the Lord's tournament. Join the lands fighting in the Westervelt War, a tournament for the Combatant Classes of Westervelt. Forego your studies while at university and focus on your glory! The Immortal's Portrait Skin was out of date (30/10/15), it now is (31/10/15). The PS4/PSVR Patch is out With the release of "1.00" on PS4 and PS VR (with two versions per platform at this time: a PC port and Steam), there are no fundamental changes in the game. As usual, if you have any questions, feel free to ask
